Subject: Revised Congestion Mitigation and Air Quality Estimates for Federal Fiscal Years (FFY) 2006-07 and 2007-08

Dear Executive Directors:

The estimated Congestion Mitigation and Air Quality (CMAQ) funding levels have been revised to reflect Senate Bill 1587 and to reflect Advanced Federal Apportionments for 2006. Revised CMAQ estimates for 2006-07 and 2007-08 are attached.

Senate Bill 1587, Chapter 673, Statutes of 2006, requires the state to distribute CMAQ apportionments to the Monterey Bay and Santa Barbara regions such that each shall receive 50 percent of its 2005 apportionment in FFY 2007 and 25 percent of its 2005 apportionment in FFY 2008. The legislation is online at: http://www.leginfo.ca.gov.

In addition, the total estimated 2006-07 CMAQ funds have been adjusted to reflect Federal Notice 4510.605, Advanced Notification of Federal-Aid Highway Funds to be apportioned on October 1, 2006. The Notice is online at: http://www.fhwa.dot.gov/legsregs/directives/notices/n4510605.htm.

It is important to note that these estimates are provided for planning and programming purposes only; they do not represent actual apportionments nor do they reflect obligation authority levels.

Please address any questions regarding these estimates to Cathy Gomes at (916) 654-3271. Questions regarding obligation authority should be directed to your District Local Assistance Engineer.

Sincerely,

RACHEL FALSETTI
Chief
Office of Federal Transportation Management Program
