Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Santa Barbara County Association of Governments' (SBCAG) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

No.	Description
3	**Local and Transit Elements** Adds or modifies various projects in Santa Barbara County. The projects included in this amendment are funded from the Safe Routes to School Program and the Federal Transit Administration (FTA) 5310, 5316 and 5317 programs. See enclosure.

The updated programming is for projects in air quality attainment area that is exempt from the conformity determination requirement. The SBCAG Board Resolution adopting this FTIP amendment certifies that the amendment is consistent with the Regional Transportation Plan, is financially constrained, and meets the requirements of public involvement procedures adopted by SBCAG.

Pursuant to the authority delegated to me, I approve SBCAG's Amendment Number 3. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment in fiscal years not within the four-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

RACHEL FALSETTI
Chief
Division of Transportation Programming
