"G" FORCE, a **Disabled Veterans Business Enterprise (DVBE)** and **Small Business (SB)**, is a full-service engineering consulting, inspection, and materials testing firm with more than 15 years experience. We have provided a broad range of services to numerous public and private sector clients on a wide variety of projects, including numerous **Caltrans** related projects.

Services typically provided by "G" FORCE include:

- ♦ **Caltrans** certified field and laboratory technicians
- ♦ Nondestructive Testing
- ♦ Special Inspection of Reinforced Concrete, Pre-Stressed Concrete, Masonry, Structural Steel, Welding, and Spray-Applied Fire-Proofing
- ♦ Geotechnical and Materials Engineering Services
- ♦ Materials testing of concrete, aggregate, masonry, grout, welded and mechanically spliced reinforcing steel, trial batches
- ♦ Soil testing
