

**Section 6005 UPDATE**  
**Quarterly Report to FHWA**  
**July 1 – September 30, 2007**

**Summary**

This report has been prepared pursuant to the Caltrans/FHWA Memorandum of Understanding (MOU) regarding State assumption of responsibilities under Section 6005(a) of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), codified as Section 327 of amended Chapter 3, Title 23, United States Code (23U.S.C. 327). MOU Section 8.2.7, monitoring and oversight, requires Caltrans to provide a report every 3 months to the FHWA California Division, listing any approvals and decisions Caltrans has made with respect to the responsibilities Caltrans has assumed under part 3 of the MOU. This report provides a list of all Section 6005 approvals from July 1 through September 30, 2007.

A total of eight Draft Environmental Documents were approved for circulation during the first three months of the Pilot Program. Three of these had no FHWA review involvement. For the remaining six Draft Environmental Documents, FHWA was involved in one or more review iterations prior to the effective date of the Pilot Program. Caltrans also approved four Findings of No Significant Impacts (FONSI), two of which had no FHWA involvement. FHWA reviewed and approved the Draft Environmental Document for all of the FONSI Caltrans approved during this period.

The attached provides a list of documents and decisions approved by Caltrans under the Pilot Program during the last reporting period. The bolded projects identify environmental documents that were approved without FHWA review.
