STIP AMENDMENT 02S-013 NOTICE

SUMMARY

This amendment programs \$2,978,000 in Regional Improvement Program (RIP) funds from Modoc County's Unprogrammed Share Balance for two projects: \$130,000 in FY 2003-04 towards a \$788,000 bridge replacement project and \$2,848,000 in FY 2002-03 towards a \$3,453,000 widening project.

RECOMMENDATION

The Modoc County Local Transportation Commission (MCLTC) is requesting this amendment. The Department of Transportation (Department) has reviewed the amendment and found it to be consistent with the California Transportation Commission (Commission) adopted State Transportation Improvement Program (STIP) guidelines. Project No. 1 has not received State only funding approval. Commission staff has indicated that the only available STIP capacity is in FY 2006-07.

RESOLUTION

Resolved, that the California Transportation Commission (Commission) revise the 2002 State Transportation Improvement Program (STIP) at the end of the 30-day notice period as follows:

Adds:

Project Information								
County:	CT District:	PPNO:	EA:	Element:	Const Year:	PM Back	PM Ahead	Route/Corridor

BACKGROUND

This amendment programs \$2,978,000 in Regional Improvement Program (RIP) funds from Modoc County’s Unprogrammed Share Balance for two projects: \$130,000 in FY 2003-04 towards a \$788,000 bridge replacement project and \$2,848,000 in FY 2002-03 towards a \$3,453,000 widening project.

Project #1 - Replace Bridge 3C0041 on County Road 60 over the Eastside Canal (PPNO 2384)

This amendment programs \$130,000 in RIP funds to reconstruct a bridge on County Road 60. The current bridge is listed as structurally deficient. The STIP funds will be used as a match to Federal Highway Bridge Replacement and Rehabilitation (HBRR) funds.

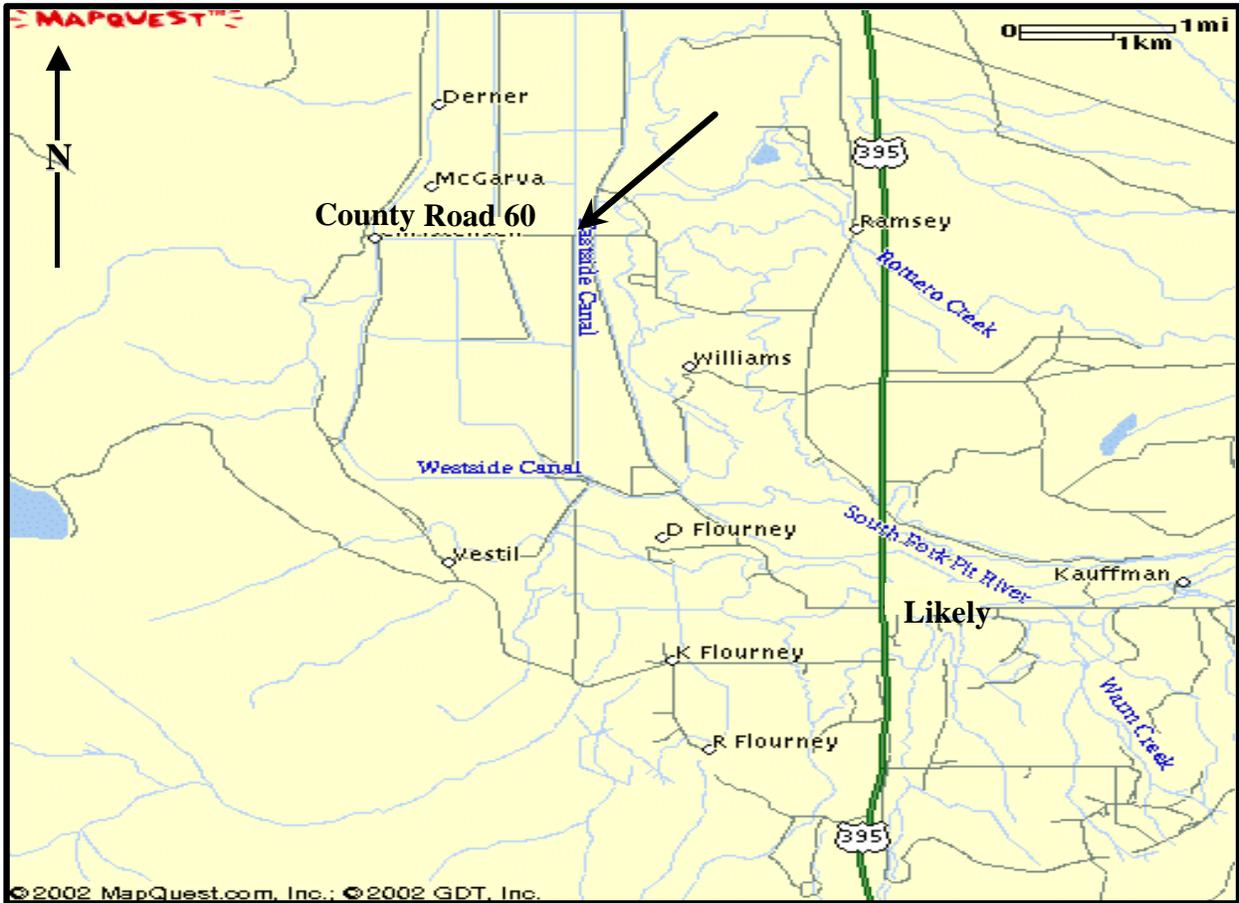

Project #2 - Alturas Highway 299 Widening Project (PPNO 0053)

This amendment programs \$2,848,000 in RIP funds to widen State Highway 299. This will improve the level of service by adding capacity and will improve operational efficiency in the multi-use commercial and residential area.
