

## Memorandum

To: CHAIR AND COMMISSIONERS  
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: June 25, 2015

Reference No.: 2.1a.(18)  
Action Item

From: NORMA ORTEGA  
Chief Financial Officer

Prepared by: Bruce De Terra, Acting Chief  
Division of Transportation  
Programming

Subject: **STIP AMENDMENT 14S-29**

### **RECOMMENDATION:**

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve the requested State Transportation Improvement Program (STIP) Amendment 14S-29. This item was noticed at the Commission's May 2015 meeting.

### **ISSUE:**

The City of Ripon and the San Joaquin Council of Governments (SJCOG) propose to amend the 2014 STIP to delay \$1,000,000 in Regional Improvement Program (RIP) construction funds from Fiscal Year (FY) 2015-16 to FY 2016-17 on the Stockton Avenue Widening project, (PPNO 6627) in San Joaquin County.

### **BACKGROUND:**

Programmed in the 2014 STIP, the Stockton Avenue widening project will widen Stockton Avenue from Second Street to Doak Boulevard, from a two lane to a four lane roadway. This section of Stockton Avenue serves as the primary route for industrial traffic between State Route 99 and the industrial business corridor in Ripon.

The City of Ripon (City) is under staffed due to the long term economic challenges in the region. The City, in prioritizing workload, has diverted its staffing efforts towards projects that address the severe drought issues and safety projects. These significant competing demands on the limited city staff, have prevented the City from being able to begin work on the Stockton Avenue Widening project.

The changes described above are shown on the following table:

**REVISES: Stockton Avenue Widening project (PPNO 6627)**

County	District	PPNO	EA	Element	Const. Year	PM Back	PM Ahead	Route/Corridor
