These changes are submitted as an administrative modification. The changes are within the quadrennial element; do not reflect a change in the design concept or scope of the project, or impact financial constraints. Funding is available for these modifications.

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, this FSTIP modification has been amended into California's 2008/09-2011/12 FSTIP.

Please address any questions on this amendment to Penny Gray of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief  
Office of Federal Transportation Management Program
