Attention: Dennis Jacobs

Subject: Amendment #15 (Administrative Modification) to the 2009 Council of Fresno County Governments FTIP

Mr. Jacobs:

The Executive Director of the Council of Fresno County Governments as authorized by the Policy Board hereby approves Amendment #15 (Administrative Modification) to the *2009 FTIP*. Please see Attachment #1 for specified administrative changes to the FTIP.

It should be noted that the changes to these projects contained within this amendment do not require a re-determination of the air quality conformity analysis.

You should be aware that as per Fresno COG's adopted *Policies and Procedures*, Administrative Modifications are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The project being adjusted meets these criteria. Administrative Modificaitons are used in lieu of standard FTIP Formal Amendments, and as such, are not subject to Federal approval. The programming capacity to modify this project is available in Fresno COG's FTIP and financial constraint documentation will be updated to reflect this modification in the next formal amendment. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Amendment has taken place. We will be updating the California Transportation Improvement Program System (CTIPS) to reflect this amendment. If you should have any questions or comments, please feel free to call Renee DeVere-Oki at (559) 233-4148.

Sincerely,

Tony Boren

TONY BOREN, Executive Director
Council of Fresno County Governments
