**Subject: *Amendment #22 (Administrative Modification) to the 2009 Council of Fresno County Governments FTIP***

Mr. Jacobs:

The Executive Director of the Council of Fresno County Governments as authorized by the Policy Board hereby approves Amendment #22 (Administrative Modification) to the 2009 FTIP. Please see Attachment #1 for specified administrative changes to the FTIP.

It should be noted that the changes to these projects contained within this amendment do not require a re-determination of the air quality conformity analysis.

You should be aware that as per Fresno COG's adopted *Policies and Procedures*, Administrative Modifications are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The project being adjusted meets these criteria. Administrative Modifications are used in lieu of standard FTIP Formal Amendments, and as such, are not subject to Federal approval. The programming capacity to modify this project is available in Fresno COG's FTIP and financial constraint documentation will be updated to reflect this modification in the next formal amendment. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Modification has taken place. We have updated our system, FresnoTrak, to reflect this amendment and will be uploading information into the California Transportation Improvement Program System (CTIPS). If you should have any questions or comments, please feel free to call Melissa Garza at (559) 233-4148 ext. 240.

Sincerely,

TONY BOREN, Executive Director  
Council of Fresno County Governments
